Detailed description: This diagram illustrates the student login process in Lumio. It shows a sequence of three screens. The first screen, labeled '1', shows the login page for 'hellosmart.com' with a 'JOIN AS A GUEST' button. The second screen, labeled '輸入教室ID', shows a form where the user enters the class ID '11340' and clicks 'Next'. The third screen, labeled '輸入學生姓名', shows the user entering the name 'Wen' and clicking 'Join as a guest'. A large red arrow labeled '2 掃描QR CODE' points from the first screen to a 'Manage class access' screen which displays a QR code and a shareable link.

Detailed description: This diagram shows the student drawing interface in Lumio. A central drawing area features a pumpkin illustration. On the left, a toolbar contains icons for '移動物件' (Move object), '橡皮擦' (Eraser), and '文字輸入' (Text input). Annotations point to these icons and other features: '書寫繪圖' (Drawing), '加形狀' (Add shape), '上傳圖片' (Upload image), and '復原操作' (Undo operation). On the right, a 'Done' button is highlighted, with an arrow pointing to a '交卷送出' (Submit) label. Below the 'Done' button, a '語音導引' (Voice guide) icon is also annotated.
